DEAR EXHIBITOR

We announce NEAF with a heavy heart. As most of you know, Al Nagler passed away suddenly and unexpectedly at Tele Vue on October 27, 2025. Al was an amazing person with an extraordinary talent who everyone loved and if you knew him personally you knew what a gentle and genuine person he was. Al was the founder of TeleVue Optics and a senior director of the Rockland Astronomy Club. Since his involvement in the late 70's he was instrumental in shaping the club into an organization to inspire people to appreciate astronomy and science and to learn more about the universe.

Al will be sorely missed. It is difficult to imagine NEAF without him.

This packet announces Rockland Astronomy Club's 35th annual blockbuster event, the Northeast Astronomy Forum (NEAF), taking place LIVE at the convenient SUNY Rockland Community College campus in Suffern, NY on Saturday April 11th, and Sunday April 12th, 2026.

You will want to be a part of our 90,000 square ft astro-paradise showcasing your outstanding products and services – and tapping into this once-a-year buying frenzy.

As our valued vendor we never lose focus on you. It is your participation and support that has helped NEAF to become the largest show of its kind in the world. Not all shows recognize the importance of their vendors but be assured that NEAF does. Our goal is to make your participation as pleasurable as possible, and bring you nothing less than a world-class event.

Be a part of it, register early and secure your space. We look forward to seeing you in April but remember to lock in your space early for what we promise will be another truly exceptional event.

Standard booths start at only \$623 (early bird), and include one (1) 8-foot table, two (2) folding chairs, two (2) admission badges to the show as well as a sign with your company name in 3-inch letters. Please see attached pages for further information. Booths can be ordered on line at NEAFexpo.com. But don't delay, as space is limited!

The Vendor Help Site is now open for any questions, please contact Sarah Colker at NEAFteam@NEAFexpo.com

Also, this year we are pleased to announce our annual Northeast Astro Imaging Conference (NEAIC). NEAIC is a two-day imaging seminar held at the nearby Crowne Plaza, Suffern, New York on April 9th and 10th, preceding NEAF. The conference is devoted to the many aspects of astronomical imaging, including deep-sky imaging, high resolution and planetary imaging, imaging using digital SLR cameras, photometry and spectroscopy. For more information, please visit NEAFexpo/NEAIC.com

We look forward to seeing you in April!

Show Hours

Saturday, 9 am to 6 pm
 Sunday, 10 am to 5 pm

Exhibitor personnel will be permitted entry on the day of the show between 8 and 9 am Saturday, and 9 to 10 am on Sunday at the EXHIBITOR ENTRANCE at the rear of the building.

Friday Set Up

Set up for vendors opens Friday at 12 noon. All vendors are requested to have their booths set up by 7 pm. The Field House is closed to vendors at 7 pm. NOTE: for safety purposes, all vehicles entering the Field House for loading MUST be escorted by a staff flagman.

Late Arrivals
 Early Departures

You are expected to have your booth set up and operating for the 9 am Saturday opening. If you are not present by 8 am on Saturday, your booth location may be forfeited. Our goal is to present a full and exciting showroom floor to our arriving guests – empty booths become problematic.

Of course, there are always emergencies and special circumstances. We urge you to contact Ed Siemenn or NEAFteam@neafexpo.com the moment you suspect that you may be late so you can make special arrangements and avoid the disappointment of your booth location having been moved.

If you observe the Sabbath on Saturday, you will be expected to have a full display of catalogues, merchandise photos, signs and other items to fill your table in an appropriate manner during the business day on Saturday. This must be setup prior to your departure Friday evening. You must also arrive early on Sunday, prior to the 10 am opening to ready your table for sales before guests arrive.

No early departures or breakdowns prior to 5 pm on Sunday will be tolerated. Early breakdowns will risk forfeiting preferred booth locations for the following year and other penalties. If you have an emergency or handicap and must leave early, you must notify the Floor Manager as soon as possible for assistance and discrete exit procedures.

ALL VENDORS MUST BE OUT OF BUILDING BY 9 PM SUNDAY NIGHT. ANY EXPENSES FOR OVERTIME WILL BE BILLED TO THE VENDOR.

Security

Professional security guards are employed around the clock commencing at 4 pm on Friday. After 7 pm on Friday, all doors providing access to the exhibit area will be locked.

Overnight security is provided. Security guards will also be stationed at all entrances and exits during show hours on Saturday and Sunday. Roaming undercover security will also be in attendance during all show hours. However, please keep alert and notify security of any concerns. You are ultimately responsible for merchandise and valuables at your booth. RAC cannot take responsibility for lost or stolen goods.

Exhibitor personnel are advised to remain at their booths until 6:15 pm on Saturday, at which time, Security guards will have cleared the building of visitors. This should take no more than 10 – 15 minutes and will eliminate the chance of theft from your booth.

Loading & Parking

ANY SPECIAL NEEDS PLEASE LET US KNOW, WE ARE HERE TO HELP!
The driveway on the east side of the building is "off limits." You must use the parking area and entrance at the west side "rear" of the building. We will provide assistants to help you unload and move your merchandise.

PLEASE KEEP ALL FIRE LANES OPEN AT ALL TIMES.
VEHICLES WILL BE TOWED AWAY AT OWNER'S EXPENSE.

Insurance

The Rockland Astronomy Club requests copies of your General Liability and Workman's Comp insurance. If you are a sole proprietor this does not apply. Vendors are required to have copies of their insurance on hand during the show in the event of state inspection. RAC will not be held responsible for noncompliance of vendor state insurance regulations.

Collection of Sales Tax

All vendors who are registered at NEAF and who are selling tangible merchandise (and are not a NY State registered not-for-profit) are required to collect NY State sales tax from the purchaser at the time of the sale as per NY State tax law, regardless of the state in which their business is located. NY State and local sales tax are 8.375%.

Vendors shall be solely responsible to register and report the amount of sales tax owed based on their sales at the show. Refer to NY State Sales Tax Bulletin TB-ST-175 for additional information. For information on how to register your firm to collect state sales tax, see attached NY State Tax Bulletin TB-ST-360 starting on page 17.

Vendors may elect to include the cost of sales tax in the purchase price of their merchandise, however vendors are NOT allowed to advertise that they or their merchandise is "Tax Free", as this is unlawful, misleading, and may result in fines and serious repercussions.

Failure to collect or report the amount of sales tax collected is considered fraud by the State of New York. Any vendor not abiding by NY State tax law may be subject to audit and substantial fines by the State.

Note: Vendors are required to keep their NY sales tax ID number or NY tax exempt number on hand during show operating hours.

Miscellaneous

1. You are responsible for damage to the floor within the confines of your booth. Please ensure that sharp or pointed merchandise does not tear or puncture the rubberized floor. Please provide padding under these kind of items. Tape of any kind is not allowed on the rubberized floor.
2. Venue address is:
Rockland Community College Field House
145 College Road, Suffern, NY 10901
3. Hotel address is:

NEAF SHIPPING OPTIONS

NEAFexpo.com

NEAF@rockland
astronomy.comTruck to Field
House Direct

You may either ship directly to the Field House or ship to our warehouse. See below for information and limitations on these options.

You may make arrangements for your own carrier or a trucking company to deliver your merchandise directly to the RCC Field House on the Friday before the show between the hours of 8:30 am and 4:30 pm. We will have forklift service to unload your truck for you. This merchandise should be picked up in the same fashion by your shipper either on Sunday, between 5 and 8 pm or on Monday, between 8:30 am and 3 pm.* Forklift service will be available between these hours to load your truck for you. There is no additional charge for forklift service at the Field House during these hours. If you are unsure you can guarantee your deliveries and pickups within these time frames, you will need to ship to our warehouse for holding and delivery to the show and pick up afterwards.

Truck to
Warehouse

Shipping to our warehouse offers you the flexibility of not having to worry about your carrier making the Friday and Monday time deadlines or incurring third party moving fees. You may make arrangements for your trucking company to deliver your merchandise ahead of time to our warehouse facility up to two-weeks prior to the show. Your pallets/boxes will be held until the Friday of the show, then loaded onto a truck and moved to the Field House and off-loaded and brought to your booth. The pallets will then be picked up Sunday after the show and delivered back to the warehouse to await your shipper's pickup for up to a week after the show. **There is a \$299 flat rate moving and storage fee per pallet of merchandise using this service.** Please note, all deliveries and pickups from the warehouse must be made during normal business hours. Please have your trucking company call 12 hours in advance to assure forklift operators will be ready.

Warehouse
Information

Our warehouse is operated by a professional, fully insured, moving and storage company to assure you the best possible service and security for your merchandise. The warehouse is located in nearby Mahwah, NJ. If you intend to use this service, please order online and you will receive the warehouse shipping information.

Labeling of Boxes/Pallets

All cardboard boxes are to be new to avoid mishaps. Additionally the outside of all containers must have the exhibitor name clearly indicated. This will allow your items to be delivered to your booth on the Friday of NEAF.

Overseas Shipments

We strongly urge you to ship your overseas merchandise to our warehouse since these types of deliveries are difficult to control time-wise. Using our warehouse service will give you a two week buffer before and one week buffer after the show. **There is a \$299 flat rate moving and storage fee per pallet of merchandise using this service.**

UPS, FEDEX, USPS, DHL, etc.

You may ship packages directly to our warehouse via these mail services, up to two weeks before the show. Your packages will be held until the Friday of the show, then loaded onto a truck and moved to the Field House, off loaded and brought to your booth. On Sunday after the show, all packages should be boxed and pre-labeled / pre-paid for return shipment. They will be picked up by our moving company and brought to the warehouse. You will need to call your prepaid shipping service to arrange pick up from the warehouse. **The round trip fee for this service is \$25/small box, \$53/large boxes or crates weighing over 50 lbs., \$132 for any box or crate requiring a forklift, and \$299 for palletized goods.**

Shipping Direct

Truck deliveries are only allowed on the Friday prior to the show. We are not contracted to receive and store goods prior to that. Any deliveries will be turned away. Please use our warehouse services if goods are to be received prior to Friday. Shipping of packages i.e. UPS, FEDEX, USPS, etc., directly to Rockland Community College is not allowed. The campus mail service will not accept items intended for a show event and it may be lost or misdirected.

Left Merchandise

* **Rockland Astronomy Club assumes no responsibility for merchandise left at the Field House beyond the Monday 3 pm deadline. Our contracts conclude at this time and we no longer have control of the facilities. Forklift and security service will not be available after this time, and you may incur substantial moving charges from outside parties to have your items removed from the premises.**

BECOME A NEAF SPONSOR EXHIBITOR SPONSORSHIP PACKAGES

The Rockland Astronomy Club is a 501c3 non-profit educational organization. Aside from providing a major advertising opportunity for your company, your sponsorship dollars go toward defraying the huge cost of producing the Northeast Astronomy Forum. This helps to keep admission prices affordable for the attendees who are purchasing your products.
